*Proceedings of the Madras Government, Revenue Department,
2nd August 1875.*

No. 8. Read the following Proceedings of the Board of Revenue, dated 16th July 1875, No. 1,991:—

Read the following letter from C. J. O. MAYNE, Esq., Assistant Accountant-General, in charge of Outside Audit, to R. W. LODWICK, Esq., Accountant-General, Madras, dated Madras, 31st May 1875:—

I HAVE the honor to report on the audit of the accounts of the Government Stamp Office. The stock had been taken only a year ago, but I found the accounts had not been taken up since 30th June 1873, and that it had been the custom to keep the books by the fasli year. To work out the whole of the items through the several books would have taken up much time and endless trouble. I, therefore, only checked the daily totals through the books up to 31st March 1875, which were found all correct with the exception of that in a few cases the books had not all been initialled by the Superintendent.

2. The stock was taken on the 5th April and the four ensuing days, and was found to agree with the balances in the books. Appended is a statement showing the amount of stamps in store.

3. The books kept in the office are a Stock Book, Warrant Register, three Receiving Registers—one for impressed stamps, another for adhesive stamps, and the third for Court Fee adhesive stamps. These were all compared with each other and found correct.

4. The audit for moneys received for stamps, &c., was not taken up, as this is already done monthly in the Accountant-General's Office.

5. In conclusion, I have to thank Mr. Wright, the Superintendent, and the Head Accountant for their help and courtesy.
