*Proceedings of the Madras Government, Revenue Department,
9th August 1875.*

No. 76. Read the following Proceedings of the Board of Revenue, dated 30th July 1875, No. 2,147:—

Read the following letter from G. D. LEMAN, Esq., Acting Collector of Madras, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 27th July 1875, No. 222:—

In continuation of my letter, No. 111, dated 10th May last, recorded in the Board's Proceedings, No. 1,316, dated 15th idem, I have the honor to report that up to date 2,428 indentures which required to be stamped have been put into the office; out of these on 1,510 the necessary certificate as to payment of the proper stamp duty has been made, and they have been returned to the parties concerned. There are still 918 indentures to be disposed of, and will occupy one clerk at least twenty-three working days. As it is possible some more indentures may come in (there are still 1,300 of these not received) there will be work for the extra clerk till the end of August next.

2. The sanction accorded by Government for an extra clerk is only up to the 31st instant, and I have, therefore, the honor to request that the Board will obtain the sanction of Government for his continuance in office one month longer.

3. In paragraph 3 of my letter above quoted, I have shown the detail work involved in connection with the certifying of these indentures, and I am not able to say that the work which has still to be performed can be done by my office establishment unaided. If the extra hand is not sanctioned, the certifying of indentures will be delayed, or current work will be seriously retarded.

SUBMITTED for the sanction of Government.
