Read the following

No. 167

From J. H. Garstin Esquire
Collector of South Arcot
To H. C. Stokes Esquire
Acting Secretary to the
Board of Revenue
Madras.

Sir,

I should much like to have copies
of the Survey plans of the most interesting
places in this District - lithographed or photo-
zincographed for the District Manual
if the Board do not think the expense
will be needlessly great. I enclose the
plans which I have taken out of a
copy of Orme's History and shall feel
obliged by the Board having a sufficient
number of copies of each struck off and
sent

sent to me if they approve of my proposals.

2. To a stranger or a District officer the Survey of Gingee which is very accurate, is of very great service by enabling him to understand the size of the place. Without it even on the spot it is by no means an easy task to take in all the details.

I have &c.
