*Proceedings of the Madras Government, Revenue Department,
11th August 1875.*

No. 94. Read the following Proceedings of the Board of Revenue, dated 20th July 1875, Miscellaneous No. 6,575:—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Vellore, 29th June 1875, No. 375.

With reference to Board's Proceedings, dated 10th April last, No. 881, I have the honor to state that, although it would afford me pleasure to undertake the preparation of the manual of this district, which would be, in many respects, interesting work, I was indisposed to take the task in hand simply because the current work of the district is so very heavy as to occupy me constantly, and I have little or no leisure that I could devote to the important work of preparing the manual, and I was loath, therefore, to make a promise that I might subsequently find a difficulty in fulfilling. If the Board, however, still desire that I should take it up, I beg to assure them that I shall with pleasure do my best, and commence the collection of materials, but I cannot say when I may be able to finish the work.

SUBMITTED for the orders of Government with reference to G.O., dated 13th March 1875, No. 412.
