*Proceedings of the Madras Government, Public Works Department,
26th May 1875.*

No. 479. Read the following Proceedings of the Board of Revenue, dated 27th April 1875, No. 1,046:—

Read the following Proceedings of the Madras Government, dated 12th October 1874, No. 2,907, Public Works Department:—

ABSTRACT.—*Land Compensation.*—The subject of the settlement and payment of claims for land compensation commended to the deliberation of the Board of Revenue.

COMMUNICATED to all Collectors.

2. The Board believe that in some districts payment is now made through the Tahsildars of the taluqs where the parties reside. If not, Collectors will be requested to cause payments to be made in future through Tahsildars. As soon as the amount payable is determined and sanctioned, an order should be issued to the Tahsildar to cause the payment to be made and debit it to the proper head. The Tahsildar will issue a notice to the party that, unless the money is applied for within six months of the date of notice, the money provided will lapse to the credit of Government. The notice must be served on the individual himself or affixed to the outer wall of his usual residence. If the party does not appear within the time and receive the payment, the Tahsildar should report the fact to the Collector, who will then remove the individual's name from the list of persons to whom compensation is due. If the party, however, appears within three months after the removal of his name from the list, and explains the delay to the satisfaction of the Collector, he may order the payment, but if he appears after three months with a satisfactory explanation, the case should be reported for the orders of the Board. Parties should, of course, be allowed to receive payments through their authorized vakeels, and if the Tahsildar is satisfied, he may also order payments to other than authorized vakeels if a receipt, duly signed by the proper party in the presence of the village officers, is presented to him.
