I HAVE the honor to forward, for the sanction of Government, an estimate of Rupees 20,000 for clearing and deepening the Northern Canal from the Elephant Gate Bridge, Madras, to its junction with the Pulicat Lake.

2. In the original budget of petty construction and repair for the current year a sum of Rupees 20,000 was entered for deepening the East Coast Canals, which has been reduced to Rupees 15,000 in the revised budget forwarded with my letter of the 3rd instant, No. 309.

3. The Salt Deputy Collector having reported that the Northern Canal was barely navigable between the 16th and 19th mile-stones, I have ordered it to be cleared at once on a special estimate of Rupees 354 prepared by the Overseer of the Salt Department, so as to facilitate the transport of salt to Madras. If this sum be deducted from the current year's grant, there will remain Rupees 14,646 to be expended on the canals, which I request may be placed at the disposal of Public Works Department for expenditure on the Northern Canal.

ENCLOSURE No. 1.—Estimate.

THE estimate will be submitted for the sanction of Government.

2.
