*Proceedings of the Madras Government, Revenue Department,
13th August 1875.*

No. 138. Read the following Proceedings of the Board of Revenue, dated 15th July 1875, No. 1,964:—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 25th June 1875, No. 240:—

IN paragraph 9 of the rules framed by Government under the Land Improvement Act XXVI. of 1871, published at page 1,065 of the *Fort St. George Gazette*, dated 24th June 1873, it is laid down that in all cases where the proposed advance does not exceed Rupees 250, the local enquiry shall be conducted by such persons and according to such rules as the Government may from time to time prescribe. No such rules appear to have been published as yet. I have, therefore, the honor to request that some simple rules for the guidance of officers concerned may be promulgated.

SUBMITTED to Government in continuation of Board's Proceedings, dated 14th June 1875, No. 1,610.

2. The Board do not think that any detailed rules are required. The objects to which the local enquiry should be directed are laid down with sufficient precision in Rules 12 and 13. The Board, however, would prescribe under Rule 9. that the local enquiry should in every case, even when the loan applied for is less than Rupees 250, be made by an officer of rank not lower than a Tahsildar or Deputy Tahsildar.
