PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th May 1875.

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 14th April 1875, No. 183 :—

I HAVE the honor to request that the Board will be pleased to sanction an endowment, under the Chuttrum rules, to a Chuttrum built by Codanda Ramasawmy Naidu at Sevoypet, Trivellore Taluq.

2. I enclose a plan of the Chuttrum, from which the Board will see that ample accommodation is provided therein for all classes. It is situated on the old Cuddapah road, *via* Perambore, about twenty miles from Madras, and is much resorted to by travellers, more especially by the pilgrims proceeding on foot to the shrines at Trivellore, Tripatty, Tritany, etc.

3. I am informed that hundreds of people find shelter in the Chuttrum on the new moon festivals, and the Durmacarta (Manager) provides the people with drinking-water and butter-milk. Rice is also occasionally distributed to the poorer classes. There is a Chuttrum at Colepadary, half-way between Madras and that now recommended for endowment, but it is small and does not afford accommodation to all classes.

4. The Chuttrum at Sevoypet has at present a small grant of acres 7·68 assessed at Rupees 7-7-0, for which the Durmacarta already holds an Inam Title Deed; but as this is considerably below that authorized by the rules, and as the institution appears to be very useful to travellers, I request that [illegible] a further assignment, so as to give the Durmacarta the full benefit of the rules.

5. Should the Board approve of my recommendation, I beg to propose that in addition to the Inam already assigned for the Chuttrum, certain putta and tope cowl lands in the occupation of the Durmacarta, amounting to acres 16·21 assessed at Rupees 37-6-10, and waste lands amounting to acres 9·51 assessed at Rupees 14-11-0—making in all acres 33·40 assessed at Rupees 59-8-10, may be assigned to the Chuttrum free of assessment, subject to the usual conditions.

ENCLOSURE No. 1.—Plan.

THE Collector will report the outlay which has been incurred in the erection of the Chuttrum.

Acting Secretary.

to Grants of waste land unless a distance of at least 10 miles intervenes between them, except under such particular circumstances as may induce a Collector to consider himself authorized to recommend a deviation from this general rule."

2. The previous sanction of the Board does not appear to have been obtained in the present case and there is a Choultry at Colepadary apparently within 10 Miles - This, however, the Collector states is small and does not afford accommodation to all Classes.

3. Endowments to Choultries are to be given out of "waste lands" under G.O. dated 28th August 1863, No. 1584 - But the Collector proposes to assign "certain puttah and tope Cowl lands in the occupation of the Durmacarta amounting to acres 16.21 assessed at Rs. 34-6-10" as a portion of the endowment; and the Board support the recommendation -

Orders are requested.
