*Proceedings of the Madras Government, Revenue Department,
17th August 1875.*

No. 171. Read the following Proceedings of the Board of Revenue, dated 21st July 1875, Miscellaneous No. 6,610:—

Read the following letter from J. CAMERON, Esq., Sub-Collector of Tanjore, to H. S. THOMAS, Esq., Collector of Tanjore, dated Negapatam, 15th June 1875, No. 332.

I HAVE the honor to inform you that a Poor Fund has existed for some time in this town, and that they resolved a short time ago to establish an Industrial School for the purpose of employing those who are able to work and of teaching them some handicraft by which they may, as far as possible, support themselves. They also propose to give, if opportunity occurs, some small amount of education to such children as may be employed. For this purpose subscriptions have been raised among the people of the town, and they amount now to nearly Rs. 700.

2. This being so, I think I may venture to lay before you a request which they wish to make to Government, *i.e.*, to grant them the use of a small piece of ground for the purpose of building a temporary shed, as suitable accommodation cannot be had at a moderate rent. The land, of course, would revert to Government should the enterprise not be successful. The piece of land which I should propose to give, and which is considered suitable, lies between the path leading to the flagstaff and the taluq compound. It measures 2 maus and 26½ gulies, and is unoccupied, and not likely to be required for any public purpose.

No. 237.

SUBMITTED to the Board of Revenue with a recommendation that the land required may be granted on condition that it must be given up if so required by Government.
