*Proceedings of the Madras Government, Revenue Department,
18th August 1875.*

No. 181. Read the following Proceedings of the Board of Revenue, dated 4th August 1875, Miscellaneous No. 7,015:—

Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 20th July 1875, No. 70.

With reference to Proceedings of the Board of Revenue, No. 881, of 10th April 1875, calling upon certain Collectors to report what progress has been made in the compilation of the Manuals of their respective districts, I have the honor to forward herewith copy of a letter from Mr. H. B. Grigg, Assistant Commissioner, on the subject.

ENCLOSURE No. 1.

From H. B. GRIGG, Esq., Assistant Commissioner, to J. R. COCKERELL, Esq., Commissioner of the Nilgiris, dated Ootacamund, 19th July 1875, No. 11.

With reference to the Board's Proceedings, No. 881, dated 10th April 1875, I have the honor to report that I have collected much of the necessary information. Some of the departments, however, have not yet reported. I have, however, delayed the preparation of the Manual, because we have not yet received the report of the late Mr. Brecks on the history on antiquities of the Hills. It was useless to touch on these subjects until his papers are before me. I understand, however, that the work is now complete, and may be expected shortly in India. I have, also, been disappointed in receiving papers on the Botany and Meteorology of the Hills from Colonel Biddome and Mr. Doughton. I shall probably not receive Colonel Biddome's paper until after his return to India. However, I have little doubt the Manual will be complete by the end of the official year.

SUBMITTED for the information of Government, with reference to G. O., dated 13th March 1875, No. 412, Revenue Department.

Acting Sub-Secretary.
