Customs.

SIR,—I am directed to acknowledge receipt of your letters of the 23rd of June and 29th of July last, making certain proposals for registering the trade on the Orissa frontier, and to state that His Excellency the Governor in Council has no information whatever as to the Allahabad Conference, or as to the object with which registration of trade by land between Bengal and Madras is desired. His Excellency can, however, have no objection to the establishment of a registering station at Rambha in the Ganjam District, and the Collector of Ganjam will be instructed to place himself in communication with the Commissioner of Orissa for the arrangement of details, in view to the early commencement of operations.

2. I am to request that a copy of the report of the Conference and its Appendices may, with the permission of His Excellency the Lieutenant-Governor of Bengal, be supplied to this Government, and it would, also, seem desirable that they should be in possession of the views enunciated in the order of the Government of India quoted in the first paragraph of your letter of the 23rd of June.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) A. MACGREGOR,
Acting Secretary to Government.
