Nellore	84	23	641	91	<p>Of these, 18 are of Roads in the northern and western Taluqs, and one is the further extension of the East Coast Canal, sanctioned in Government Order No. 23rd March 1875. How many individual cases are involved in the above two items is not known, either the Statements which have been called for from the Taluqs, are received.</p> <p>The remaining 73 are individual cases, most of which, I believe, will be disposed of by the end of this month. I guess the settlement of compensation in full and payment of money to parties in the event of the Government Sanction is received in due time, will occupy about 4 months. The statement due for the current D^o will be submitted at the end of June next.</p> <p style="text-align: right;">[Sd]/ P.
