PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th June 1875.

Read the following letter from W. H. COMYN, Esq., Acting Collector of Tinnevelly, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 28th April 1875, No. 215:—

I HAVE the honor to submit my report on the salt roads of the district for 1874-75.

2. *Levingepuram Road*.—The sum of Rupees 300, sanctioned in the Budget for petty construction and repairs for the maintenance of salt roads, was spent in the upkeep and extension of this road alone. The road was much damaged by the breaching of the Korampallam Tank during the heavy floods of last November, and emergent repairs were necessary. No other funds being available, Rs. 220 from the sale proceeds of salt beds were expended and the road is now in excellent order.

3. A road to connect the Levingepuram pans with the new pans at Sevandakolam is much required, and provision will be made for this road in the budget for the next official year.

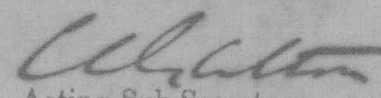

4. *Kuttanguli Road*.—This road was slightly damaged by the late floods, but is in fair order, and the soil being hard, there is no impediment to traffic. Owing to want of funds, we were not able to plant avenues along this road, but something in this direction may be done this year.

5. The other short sections to the pans at Kailpatam, Aracadi, and Vypar, and the beach road to the Tuticorin pans, are in good order.

SUBMITTED for the information of Government, with reference to G. O., 2nd October 1865, No. 2,379.

2. The Collector should not have expended any portion of the sale proceeds of the Sevandakolum salt beds on the repair of the road, the Government having in G. O., dated 4th January 1875, No 2, directed the whole of the proceeds of the sale of these pans to be credited to General Revenues.
