RESOLUTION.

In the correspondence above cited the following are the main points which have been raised in connexion with the distribution of the *Gazette of India* :—

- (1) whether District Officers and Sessions Judges should be supplied with the entire *Gazette of India* or only with parts of it;
- (2) whether the entire *Gazette* should be supplied to officers of the Account and Money Order Departments;
- (3) whether all or any of the officers of the Education, Police, Post Office, Medical and certain other Departments should be supplied with the entire *Gazette* or with parts of it.

2. In accordance with the views expressed in the Circular of the 18th March 1873, it has been decided that—

- (1) District Officers should get the entire *Gazette* and that Civil and Sessions Judges should get the entire *Gazette* with the exception of Part III.;
- (2) officers of the Account and Money Order Departments should be supplied with the *Gazette* excepting Parts IV. and V.;
- (3) the heads of the Police and the Post Office departments and the Sanitary Commissioners should be supplied with the entire *Gazette*; the heads

of the Education and the Registration departments with Parts I., II., III. and the Supplement; the heads of other departments and the subordinate officers belonging to them should only be supplied (as specified in the revised lists) with those parts of the *Gazette* which will meet their respective requirements, it being considered unnecessary to give them the entire *Gazette*.

Revised lists have accordingly been prepared for the information and guidance of the publisher of the *Gazette of India*.

4. Finally, in view to prevent the repeated supply of the same information from different quarters, it is desirable that when Parts IV. and V. consisting of Bills and Acts of the Imperial Legislative Council, or when any orders or Proceedings of the Government of India are republished in the local Gazettes, the portions of such Gazettes containing the re-publications should not be supplied to any officers or departments that receive the *Gazette of India*. The arrangement of the local Gazettes should be so settled as to keep re-publications separate and distinct from the rest of the Gazettes. Information contained in the Supplement to the *Gazette of India* should not be re-printed in the local Gazettes, except in special cases when the local Government concerned deems a deviation from the general ruling to be necessary or expedient.
