5. Articles imported and exported on account of Government should not be mixed up with those of private trade. They should be separately shown at the end of each return in which they are entered.

6. Until further orders, with the under-mentioned forms as submitted every month should be submitted similar forms filled up separately for the corresponding month in each of the two preceding years—Government of India Nos. 13, 18-1, 20-1, 20-2, 21-1, 21-2, 23, 24, 25-1, 25-2, 25-3, 25-4, 26-1, and 26-2.

7. With reference to paragraph 16 of the Order of the Government of India, recorded with G. O., dated 22nd April 1875, No. 639, the Board apprehend that it will involve much delay if it is not found altogether impossible to give all the information required for 1874-75 and for the previous four years. They therefore beg the Government that the requisition for the information for past years may not be pressed.

8. The statements prescribed by the Secretary of State, and referred to in paragraph 21 of the Government of India Order, will also be forwarded for 1875-76, the usual statements being forwarded for 1874-75. The new forms were received in February 1875, and the information on hand does not enable the Board to compile them as regards 1874-75.
