PROCEEDINGS OF THE BOARD OF REVENUE, dated 27th July 1875.

Read the following Proceedings of the Madras Government, dated 17th May 1875, No. 737, Revenue Department.

ABSTRACT.—*Europe-made Press Materials supplied to Collectors.*—Authorizing the Accountant-General to pass the charges incurred on account of —; and requesting the Board of Revenue to state more fully their reasons for not preferring the arrangement prescribed by the Government of India in their Resolution regarding press materials.

THE Board prefer the continuance of the existing arrangements for the following reasons:—

I. Because the present arrangement saves the Board the trouble and expense of storing and distributing the press materials to the several District Presses since Messrs. Aroolanandum and Sons despatch the supplies direct to Collectors.

II. Because it is not likely that any saving will result from the change, inasmuch as Aroolanandum and Sons supply the materials at the English prices.

III. Because the system of getting the articles through the Secretary of State will cause delay and inconvenience.

IV. Because Messrs. Aroolanandum and Sons are responsible for the safe delivery of the articles in the districts and take the risk of any loss or damage in transit, which will fall on Government if the articles are obtained through the Secretary of State and despatched by the Board to the districts concerned.
