From,

The Senior Assistant Collector  
Ganjam District

To The Collector, Ganjam District

Dated Camp Gopaulpore 12<sup>th</sup> May 1875

Sir, In answer to your endorsement  
on the Proceedings of the Board of  
Revenue dated 10<sup>th</sup> April 1875, I have  
the honor to inform you that I have  
succeeded in collecting most of the  
information required for the compilation  
of the Ganjam Manual, and that I  
hope to complete the work by the end  
of the year. Ill health at the end  
of last year interfered with its progress  
but the work now engages my attention  
whenever I can spare leisure from  
my

my official duties.

2. I request that the Board of Revenue  
will kindly procure for me a map of  
the Ganjam District from Colonel  
Priestley in order that its accuracy  
may be previously tested by the different  
District Officers. It should include  
all the Maliks attached to the District  
and the greatest care should be exer-  
cised in laying down the boundaries  
of the Zemindaries and Divisions of  
District as accurately as possible.  
If not tested beforehand, the map  
will probably turn out a failure, and  
I attribute great importance to the  
map being a good one, as a good  
map of this District is not at present  
forthcoming. After having obtained the  
opinion of local officers upon the  
map

map, I propose to return the same to  
Colonel Priestley for final revision.

3. I have also to request the  
Board of Revenue will be good enough  
to send me copies of Campbell's "Thirteen  
Years in Hindistan," and Macpherson's  
"Memoirs" which may possibly be  
forthcoming in the Records of the Board's  
Office. They are not available in  
our Ganjam Records.

I have &c  
(Signed) J. J. Maltby  
As Senior Assistant Collector.

2. The Superintendent of Revenue  
Survey will be requested to furnish a  
Map of the Ganjam District for insertion  
in the manual, similar to that already  
prepared for the Kuddapah Manual.

3. No copies of the first work  
mentioned by Mr Maltby are on  
record in the Board's Office. If there is  
a copy in the Library of the Government  
Office, the Board request that it  
be lent. There is only one copy of  
Macpherson's report upon the Arons  
(which, it is presumed, is the work  
referred to,) in the Library of the Board's  
Office. It will be sent to Mr Maltby  
with the request that he will peruse  
and return it after taking such ex-  
tracts as he may require.
