REFERRING to the Board's Proceedings of the 20th July 1874, No. 1,884, I have the honor to report that a Government assessed land of 19 acres 72 cents, assessed at Rupees 59-3-0, is available in the Government village of Vijeswarapuram for the accommodation of the people and taluq officials and Taluq Cutcherry as shown in the margin.

2. The owners of the occupied land have agreed to relinquish the same on payment of compensation. I beg, therefore, to enclose a compensation statement in the prescribed form, and an application for the extension of the village site, and to request the transfer of the land referred to, to village site, and for the payment of money-compensation of Rupees 163-6-0 to the owners of the land.

ENCLOSURES Nos. 1 and 2.—Statements.

SUBMITTED for the orders of Government.

2. Part of the Government village of Vijeswarapuram lies between the river and the Polaveram embankment, and is therefore in danger of being flooded during the rainy season. The Collector applies for a free grant of Acres 19-72, assessed at Rupees 59-3-0, for the extension of the village site, thinking it desirable to abandon the part liable to flood. Of this extent, Acres 9-8, assessed at Rupees 27-4-0, are occupied lands, and compensation has therefore to be given to the owners thereof, who have agreed to receive Rupees 163-6-0 in satisfaction of their claims.

3. The Board support the Collector's recommendation, and request the sanction of Government for the payment of the compensation from Land Revenue, Contingencies.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 20th July 1874.

Read the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 8th June 1874, No. 172:—

I HAVE the honor to forward, herewith, an application for extension of village site in the village of Tallapudi, in the Yernagudem Taluq.

2. The grounds for extension are set forth in the application, and it is unnecessary to recapitulate them here.

3. The land in question (23 acres 69 cents) belongs to the joint proprietors of Prakkilanka. The Head Assistant Collector says, that the proprietors desire ready-money compensation, without reduction of peishcush; but I think that this mode of compensation is objectionable.

4. I recommend that the assessment of the land may be deducted from the peishcush payable by the proprietors.

5. The assessment of the land has been ascertained to be Rupees 207-6-7 on an average of the assessment of the last ten years. The present peishcush of the Prakkilanka Estate is Rupees 1,822-12-3.

ENCLOSURE No. 1.—Statement.

THE Collector applies for a free grant of acres 23.69 assessed at Rupees 207-6-7, of Zemindari [illegible]

There are three villages (one Zemindari, another Agraharam, and the third a Government Village) so closely situated as to be in appearance one village. The land assigned as nattam in each is fully occupied. It is desirable to abandon part of the Zemindari Village, lying between the river and embankment, which is in danger at flood time. The combined village is increasing in importance as a place of trade, and it has recently been made the cusbah town of the taluq.

The proposal to purchase proprietary land, with a view to affording accommodation to the inhabitants of a proprietary village, is inadmissible. It is the duty of the Zemindar and the Agraharamdar to provide sites for their own people. The Board are prepared to assign Government land if it is required for public buildings and for the accommodation of the people of the Government Village, Vigeswarapuram, and of such taluq officials as desire to build, and they desire to be informed whether there is no suitable Government waste land adjoining the combined village, and if not, what objection there is to the assignment of occupied land in the Government Village.

Secretary.
