No. 15. Read the following Proceedings of the Board of Revenue, dated 12th August 1875, No. 2,268:—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 29th July 1875, No. 283:—

THE Reddi of the village of Manjinahal, in the Bellary Taluq, remitted to the taluq Rupees 106-8-0, collected from the ryots in the month of March last, by a man named Venka, who was doing duty as Taliari on behalf of a female Merasidar. The man brought the money with the remittance book to the Taluq Cutcherry on the 3rd April. The book was signed by the Tahsildar, and the man was told to take the money to the Bank. It was Saturday, and the Bank was closed before he could get there. The Taliari, therefore, kept the money with him.

2. On the night of Sunday, at about 8 o'clock, the Taliari was invited by a man whose name is not known, to partake of food, and under pretence of a plate being wanted from outside, was persuaded to go and fetch it. On the Taliari's return neither the man nor the money was to be found.

3. He then reported the matter to the Police and also to the Tahsildar. No trace has been discovered up to this time of the thief or of the money. The Reddi should have sent the money with a Merasidar Taliari, who would have been more responsible than a gumastah.

4. The money had, however, reached its destination. The man was in fault in not coming back to the Tahsildar's office and remaining there till Monday, on which day the money could have been paid into the Bank, but he is not a Merasidar, and, moreover, he has absconded.

5. The Reddi will be punished departmentally for his share in the transaction, but as the money cannot be recovered from him, I have the honor to request the sanction of the Board to write off the amount in the accounts.

SUBMITTED for the favorable consideration of Government.

2. The Collector should explain why the Reddi is to be punished. If the district authorities permit a Taliari to have a gumastah, there can be no objection to his doing the work of a Taliari.
