*Proceedings of the Madras Government, Revenue Department,
3rd September 1875.*

No. 41. Read the following Proceedings of the Board of Revenue, dated 21st August 1875, Miscellaneous No. 7,624:—

Read the following letter from H. NEWMAN, Esq., Acting Collector of the Kistna District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 2nd August 1875, No. 1,047.

At Tippopalem, a hamlet of Avinigadda in Bandar Taluq, there are 47 houses belonging to Pariahs inside the river embankment. They are eager to move outside, provided they can get a site to build on. The Tahsildar says that there is not any vacant ground available, and selects acres 1.50, assessed at Rs. 3-12-0, of No. 497 in the occupation of one Potukuchi Appoondhamla, who demands a compensation of Rs. 25 per acre,—a sum approximate to the saleable value of similar lands in its neighbourhood. He also applies for the old site of the hamlet on putta.

2. I request that the Board will be pleased to permit its purchase. As the river stands now sixteen feet over the crest of the anicut, the Pariahs have been compelled to move at once. I inspected the place on the 30th ultimo, and found the Pariahs to be living in huts on the proposed site, which is immediately adjacent to their hamlet, but on the other side of the embankment. I have directed the Tahsildar to take possession of the site, and agree to pay the compensation asked for the land at once in anticipation of the Board's sanction, and to assign sites to these Pariahs, some of whom, I understand, will be willing to pay for their sites themselves.

SUBMITTED for the orders of Government.

2. No waste land being available, the Collector has taken up acres 1.50 of occupied land urgently required for a new village-site, and has agreed to pay puttadar Rs. 37-8-0 as compensation, for which the sanction of Government is requested.

3. The Collector expects to recover some portion of the amount from the persons requiring the land.
