Miscellaneous No 5369.

Proceedings of the Board of Revenue
dated 16th June 1875.

Read the following

From Mr. J. S. Whiteside Esq
Collector of N. Arcot
To Mr. E. Stokes Esq
Acting Secretary to the
Board of Revenue,
Madras.

Sir,
With reference to their Pro-
ceedings dated 15th Instant, No.
1311, I have the honor to assure
the Board that the delays in
furnishing the information with
regard to the Sankarambadi
Channel therein observed, are
not attributable to my office,
but to the local officers con-
cerned.

= served in the Head Assistant
Collector Division.

2. In explanation of the
10 months delay last noticed by
the Board in submitting my reply
to their Proceedings dated 29th
May 1874 No 1300, I beg to inform
them that, immediately on its receipt,
I addressed, on the 15th June last,
the District Engineer and the
Head Assistant Collector on the
Subject, but no reply from the
latter officer was received until
the 5th February last before which
date, three reminders as noted
in the margin were sent to him
by me. Even then the Acting
Head Assistant Collector
informed me that the Tahsildar
of Wallojahi had not sent him

x
No 159 dated
5th April 1845.

full information, and that he had been ordered to report direct to me. Reminders were then sent to the Tahsildar by me on the 27th February and again on the 13th March last. That officer's final ⁺reply having been received in my office on the 24th March last, the information therein contained having confirmed that previously furnished by the District Engineer, I submitted my final report on the 5th April.

3. The Board will thus perceive that the matter was not lost sight of by me, but on the contrary that I was sending frequent reminders to the local officers to enable

me to make my report.

I have now only explained the cause of the delay on the last occasion of 10 months referred to by the Board in their Proceedings under reply, as I could at once lay my hands on the records therewith connected.

If I examined the old records now in Chittoor, I could similarly satisfy the Board that the delays on the former occasions are also not to be ascribed to my office.

Submitted to Government in continuation of the Board's Proceedings quoted.

2. It is not a satisfactory explanation of the delay that the Collector has been unable to force his subordinates to comply with his requisition for information.
