PROCEEDINGS OF THE BOARD OF REVENUE,

ated 9th June — 1875.

Read the following

N^o 81

From, C. E. Plunkett Esqre,
Deputy Collector in charge of the
Salt Department
Nellore

To, G. Vans Agnew Esqre,
Collector of Nellore

Sir, By Board's Circular Order N^o XII
of 1872, Standing N^o 407, the travelling
allowance to which Deputy Collectors
in charge of Salt are entitled "cannot
be drawn after a halt of a fortnight
at any one station"

2. I arrived here on the 4th of
this month in order to undertake the
experiments for Dr Rutton the Board
in their Proceedings dated 17th October 1874
N^o 3021, have directed that I should
make

make, and from Dr Patton's letter to ^x me it appears that these experiments will require me to remain in one place for "at least one month". But as far as I can form an opinion at present it will probably be longer, and now like six weeks, or upwards.

^x N^o 11. Dated 29th
March 1875

3. I have the honor therefore to request that you will be so good as to obtain sanction for me to draw travelling allowance for the whole period I may be detained here in the conduct of these experiments without reference to the duration of my halt.

4. My halt here, it will be observed, is not optional but obligatory. Were I at liberty to move from here at present, I should probably go up to Isakapalli and Tummalapenta, at

at both which stations my inspection is called for, and in that case I would draw the allowance to which I am entitled when absent from Head Quarters.
