WITH reference to G. O., No. 21, dated 7th January 1875, I have the honor to report as follows regarding the success met with in inducing villagers to remove their dwellings from within the river embankment.

2. The holders of 258 houses in the villages of Gollapudi, Bezwada Taluq, and its hamlet Surayapalem, have moved outside the embankment and rebuilt in a new site, and 386 house-holders of the Zemindari villages noted in the margin have consented to move if eligible sites be assigned to them. I have, therefore, requested the Zemindar of Valloor to meet their request.

I have directed the Tahsildar to inspect personally and to select sites from unoccupied lands, that there may be no necessity to put the Act into force.

The Tahsildar of Bander says that the holders of 22 houses in Kottapeta, a hamlet of Avinigudda, who were already granted sites outside the embankment, have consented to move, and that 15 of Tippapalem, which is also a hamlet of Avinigudda and 7 of Marrepalem, have agreed to move and rebuild in their puttah lands vacant village site and unoccupied lands. Two house-holders of Tippapalem apply for a Porumboke site to rebuild on, and 47 express their willingness to move if they be granted a site from a field in the occupation of a ryot who demands compensation. Forty-seven house-holders of Nagayalunka also apply for sites from lands in the occupation of ryots who are not willing to give them up. I have, therefore, called upon the Tahsildar for further information.

SUBMITTED for the information of Government.

2. The Board are glad to find that so considerable a number of house-holders have consented to remove their houses to places of safety beyond the river embankment. The Board trust that the Zemindar of Valloor will assign sites to the villagers in his Zemindari who desire to remove. The Collector should report the result of his communication to the Zemindar on the subject.
