Deputy Collector's Office

11th June 1875

N^o 462.

From The Deputy Collector of
Madras

To The Collector of
Madras.

Sir,

With reference to your docket
N^o 447 of 28th May last communicating
Revenue Board's Proceedings Miscellaneous
N^o 4479, of 20th Idem, recommending
temporary Establishment for the identifi-
cation of unknown localities in the Madras
Taluk. I have the honor to inform you
that as each surveying ameen will require
two lascars to hold chains and measuring
rods, one lascar each already recommended
by the Revenue Board will be insuffi-
cient to carry out measuring work. When
my predecessor sent up his recommendation
for the temporary establishment, he intended
that

that out of the two Goomastaks he applied
for at 18 Rupees each, one should work with
each Surveyor for noting down the calculation
and for assisting the single lascar that
would be allotted to him in holding chain.
But as the Board have not recommended
the Goomastaks. I beg that you will be
pleased to apply for 2 additional lascars on
7 Rupees each at an early date.

2. I take this opportunity of respectfully
stating that the period for which the tempo-
rary establishment has been recommended
by the Board will not at all be sufficient
for the work we have before us. An idea
of the work done will, however, be formed
from the progress report that will be sent.
