*Proceedings of the Madras Government, Judicial Department,

Taluq Cutcheries.

No. 92. Read the following letter from Colonel E. A. FOORD, R.E.,
Superintending Engineer, Bellary, to Colonel G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Bellary,
30th April 1875, No. 159:—

I have the honor to submit, for the sanction of Government, an estimate,
amounting to Rupees 31,680, accom-

Enclosures.

One Estimate.

„ Report.

panied by a report for constructing a
1st-class Taluq Cutcherry with out-build-
ings at Adony, on the standard plan

approved in G.O., No. 1871, of 13th July 1874.

2. The estimate provides for flat roof with verandahs and for enclosing the
buildings by an aloe hedge, also for a well in the compound and for forming an
approach to the building. A hedge is proposed instead of a compound wall in this
case, as, owing to the nature of the soil, the latter would be costly.

3. Compensation for the land required for the building has already been
sanctioned—*vide* G.O., No. 2967, dated 17th October 1874.

4. The estimate has been approved by the Collector.

5. The work is included in the List of Taluq Cutcheries printed with G. O.,
No. 1691, dated 24th June 1874, and, if the estimate is sanctioned, it will be entered
in the Provincial Budget for the coming year.

Transferred to the Judicial Department.

OOTACAMUND,
10th June 1875.

Offg. Joint Secy. to Govt., P.W.D.
