Proceedings of the Madras Government, Revenue Department,
22nd September 1875.

No. 192. Read the following letter from Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to A. MACGREGOR, Esq., Acting Secretary to Government, Revenue Department, dated Chepauk, 9th September 1875, No. 2,621/90 :—

THE Deputy Superintendent, No. 1 Revenue Survey, having, in his letter of the 20th August 1875, applied to me to obtain for the second-class Hospital Assistant, S. Anthony, ordered to proceed to Wynaad with the Survey Detachment some additional allowance, I have the honor to request that Government will be pleased to accord sanction for batta being allowed to him at the rate of Annas 8 per diem while employed there.

2. The grounds for this recommendation are—

1*st.*—That the Hospital Assistant, who receives but Rs. 25 a-month for the sole medical charge of a detachment numbering more than 100, is the only Government servant not receiving some addition to his salary for serving in that taluq although experience has proved the necessity of good pay for Wynaad.

2*nd.*—That surveyors and other subordinates above the grade of peons of this department receive batta at three-tenths of their pay under the orders of Government, dated 11th January 1871, No. 77.

3*rd.*—The Public Works subordinates and the men, it is believed, of other Departments draw an addition of 50 per cent. on their salary.

3. At present the Hospital Assistant only draws travelling allowance at the rate of 2 Annas per mile when ordered to attend a surveyor in the field.
