Sir

Upon my return from Privilege leave which I had overstayed by a few days, I telegraphed to Government from Galle on September 2nd, requesting instructions as to whether I was to rejoin my appointment as Acting Head Assistant in this District. In reply I received a telegram in the affirmative. When Mr. Thomas left

left the District he was directed by telegraph from the Chief Secretary to give over charge to me and accordingly I remained in charge from the afternoon of the 17th September until the forenoon of the 18th October upon the authority of these telegrams I drew pay as Acting Head Assistant from the 17th September and allowances as Acting Collector from that date until your arrival The Accountant General now declines to pass either allowance or salary of any kind on the ground that he has not been authorized to do so. I have therefore the honor to request that you will kindly ask Government to be pleased to pass the necessary orders.
