Proceedings of the Madras Government, Revenue Department,
23rd September 1875.

No. 202. Petition from A. TIRUMALA CHARRY, late 1st-Class Revenue Inspector of Virdachellum Taluq, South Arcot District, to His Excellency the Right Honorable the Governor in Council, Madras, dated Cuddalore, 12th August 1875:—

MOST HUMBLY SHEWETH,

That your petitioner being much aggrieved by your Lordship's Government not having patiently looked into his unfortunate case by a perusal of the several papers sent by him, and that justice was not meted out to him, he was compelled to make an appeal to the Government of India on the 28th June last, which, together with their endorsement thereon, dated the 22nd July 1875, No. 2,290, he begs to forward to your Excellency for submission, with your kind and favorable support, to the Government of India as therein directed.

2. Your petitioner begs to state that, unless he has strong and sufficient grounds to secure to himself a bounty from the Government by his retention in service for a few years longer, he would never attempt so repeatedly to set forward his claims, but still cherished as he is with a hope that his case will undoubtedly meet with every success at the hands of your just and impartial Government, he is compelled to throw himself at your feet.

3. Your petitioner's age at the time when he was forced (*vide* Summon No. 84, dated 14th July 1874, from Sub-Collector) to retire from the service, while the permanent Collector knew nothing about this matter, was not exactly fifty-five years of age, although it was so put down at a guess; but upon the Takeed of the Tahsildar of Cuddalore, dated the 26th July 1871, No. 12, your petitioner stated that he had no clue whereby he could trace out his proper age, but some time after he gathered from his relatives and other elder members of his family that his age was only 52, he then made it his duty to bring this circumstance to notice. Further, the Sub-Collector, who was then in charge of South Arcot, in his order, dated the 30th March 1874, on the Urzee of your petitioner, does not state therein that because your petitioner is infirm or incapable he is removed from the effective list, but simply makes allusion to his service and age, and that a gratuity had already been applied for by the Collector on behalf of your petitioner which was not the case. By this your Excellency will plainly see that your petitioner was still capable to continue for a longer period in service, and with this hope and with reference to the Proceedings of the Madras Government, dated, respectively, the 15th July 1872, No. 551, 13th February 1874, No. 983, 5th March 1874, No. 336, and 27th February 1875, No. 463, and to the provision made in the new Civil Pension Code under Section 94, Chapter XX., he may be permitted the concession of refunding the gratuity sanctioned in G. O., Pension Department, No. 36, dated the 23rd January 1875, and continuing in service for a few years longer to enable him to secure a one-third pension in his old age.

4. The present misfortune would never have attended your petitioner, but that Mr. Lister wished to serve one of his own favorites; under these circumstances, and taking into your valuable consideration your petitioner's activity and general good

conduct, which are already on the public records, added to the one particularly marked by the officer in charge of your Excellency's Body Guard on the occasion of their travelling southwards (*vide* certificate enclosed), your Excellency will be highly pleased, as a special case, to concede to him the boon he now seeks at your most noble and valuable hands. For which act of benevolence, your petitioner shall, as in duty bound, ever pray. Your petitioner begs that this petition also may be submitted to the Government of India.
