Read the following
No 266.

From W. R. Robertson Esquire, M. R. A. C.
Supt^r Government Farms.
To H. C. Stokes Esquire
Ag Secretary Board of Revenue
Chepauk.

Sir,

The bill, alluded to in Board's
Objection Statement No 53 dated the 18th
Instant, refers to a transaction which was
opened in July last; the advance then for-
warded to Germany was made under
my orders, while I was absent on privilege
leave. I regret that, from an oversight,
I omitted to request Mr. Benson, who
was in charge of my office to obtain a
special

special sanction for the expenditure. A provision was made for furnishing a laboratory in the sanctioned estimates for 1874-75, which is referred to in the latter part of para 9 of Board's Proceedings No. 1548 dated the 24th of June 1874.

In his contingent bill for March 1875, the Superintendent of Government Farms included a charge of Rs 280-6-4, on account of European articles for furnishing an Analytical Laboratory purchased in Germany. The Board disallowed the charge with reference to para 11 of the Resolution of the Government of India dated 23rd May 1871, No. 403

and asked the authority under which the purchase was made.

In his reply the Superintendent of Government Farms states that by an oversight the special sanction of Government was not obtained for the charge. The sanction of Government is therefore requested to enable the Accountant General to admit the charge.

The Farm Budget for 1874-75 contained a provision of Rs 250 to meet this expenditure and the allotment was passed by the Board. The exp^{ts} can be met from savings.
