Proceedings of the Board of Revenue

Dated 30th June 1875

Read Proceedings of the Madras Government, Revenue Department dated 8th May 1875 No: 702, thanking Captain Walker for his careful report on the late sales of Annamalai Teak in Bombay with remarks; concurring fully in the extreme desirability of improved methods of conversion of timber in the Annamalai Forest, and directing the Board of Revenue to take steps for causing some careful experiments to be made and recorded in substituting the saw for the axe.

Communicated to the
Collector of Coimbatore who will
in communication with the Deputy
Conservator cause experiments to be
made to test the practicability
of employing sawyers in the
Annamalai Teak Forest and
as to the probable difference of
cost of preparing the logs by
the saw instead of by the axe.
