No. 242. Read the following Proceedings of the Board of Revenue, dated 31st August 1875, Miscellaneous No. 7,891 :—

Read again statement of remuneration in land or otherwise proposed to be given to inamdars in the district of North Arcot, dated 18th January 1875, recorded in Board's Proceedings, dated 4th May 1875, Miscellaneous No. 3,800.

Read also the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Venkatagircotta, 24th June 1875, No. 342.

With reference to paragraph 3 of the Board's Proceedings, No. 3,800, dated 4th May last, I have the honor to report that it appears from the General Deputy Collector's letter, No. 259, dated the 12th instant, that the toty inam land therein referred to has formed part of the bed of the Karni tank and flood channel for the last forty years and was not recently brought into the bed in consequence of any improvements made to the bund of the tank or channel.

CASE No. 3.—Sixty-six cents of inam land assessed at Rs. 3-12-0 and attached to the office of toty are reported to have formed part of the bed of the tank in the village of Karni and to be consequently unfit for cultivation. The Collector recommends the assignment of sixty-two cents. of the same value, and, as the inam in question is held for service rendered to the State, the Board support the Collector's recommendation notwithstanding that the land does not appear to have become unprofitable by any act of Government.

Acting Secretary.

No. 243. ORDER THEREON, 27th September 1875, No. 1,421.

Miscellaneous.

THE Government observe that the inam in question has formed part of the bed of the Karni tank for the last forty years, and it is not explained why no claim for an equivalent grant of cultivable land elsewhere, as has now been proposed, has been put forward for so long a period. The Board will obtain and submit a full report of the circumstances of the case.

2. The Board will also explain why Case No. 4 in the statement submitted with their Proceedings has not been submitted for sanction. It is a case of Neergunti Inam rendered unfit for cultivation from natural causes.
