Nellore.	91	27	118	61	57	1. Since the submission of the last report, I have been required to purchase lands to be marked out by the Department of Public Works for the improvement of the right embankment of Pennar to a length of above 20 miles. A very small length in the limits of the Nellore Town has only been marked out. After the marking is completed, the lands will be measured and the compensation settled. A similar process will have to be gone through in connection with the extension of the East Coast Canal. I am not in a position to say now what time the above two works will occupy. 2. In 37 cases replies are awaited from several officers in the district. 3. Eighteen cases are under settlement. 4. The last two sets of cases may be disposed of by the end of August next.

No. 255. ORDER THEREON, 29th September 1875, No. 1,427.

Miscellaneous.

THE services of the Special Deputy Collector will accordingly be dispensed with from the end of September next, when he will revert to his substantive appointment. This officer seems to be at present employed in purchasing lands now required by the Public Works Department. Such current work must be performed by the ordinary staff of the district without allowing it to fall into arrears. The temporary Deputy Collector was allowed for settling compensation for lands taken up years ago for the Survapully Project and for other works (*vide* G. O., dated 29th May 1874, No. 662).
