No. 269. Read the following Proceedings of the Madras Government in the Public Works Department, dated 8th Sept mber 1875, No. 2,542 :—

ABSTRACT.—Referring certain papers r garding the Kondakirla Ava Project in Vizagapatam District, in view to its being as ertained what action has been taken on the subject, &c.

No. 270. ORDER THEREON, 29th September 1875, No. 1,435.

Irrigation, No. 6.

REFERRED to the Board of Revenue or report, with reference to the Collector's letter to the District Engineer, dated 24th July 1875, No. 1,287.

2. It is observed that the District En neer recently intimated to the Collector that owing to want of good Surveyors little p gress had been made with the preparation of the Kondakirla Ava Project, and that he was consequently unable to furnish the plans and levels, by means of which th boundaries of the Ava as likewise the rights of Government in connection therew could be ascertained. This fact was communicated to the Department of Public W rks in Order, No. 328, dated 1st March last, and it would appear that the Collector' report has been delayed owing to the noncompletion of the survey.

Submitting to Govt copy of the Statement shewing the work done by the Special Dy Collector engaged in settling compensation for Lands taken up for public purposes in the Nellore Dt

No 2. 23d July 1875, Mis. No 6654

The services of the Special Deputy Collector will accordingly be dispensed with from the end of August next. This officer seems to be employed in purchasing lands now required by the Public Works Dept. Such current work must be

be performed by the ordinary staff of the District without allowing it to fall into arrears. The temporary Deputy Collector was allowed for settling compensation for lands taken up years ago for the Serampully Project and for other works – Vide G.O. dated 29th May 1874, No 662.
