Proceedings of the Madras Government, Revenue Department,
29th September 1875.

No. 277. Read the following Extract from the Proceedings of the Government of India in the Department of Revenue, Agriculture, and Commerce, (Statistics,) dated Simla, 13th September 1875, Nos. 15/540—550 :—

Read again—

Resolution, Nos. 10/383—393, dated the 12th July 1875, prescribing the preparation by local Governments and Administrations, on a uniform plan, of reports on the cultivation of, and trade in, cotton.

Read also—

Letter from the Government of Bombay, No. 4,513, dated the 10th August 1875, and letter from the Chief Commissioner of the Central Provinces, Nos. 2,913—133, dated the 17th idem.

RESOLUTION.

It was intended that the annual report, prescribed by the orders of the 12th July, should comprise the official year ending the 31st March, but it has since been pointed out that in Bombay the cotton season does not end until the 30th June and in the Central Provinces until the 30th May, and that the preparation of the report for the official year would, in many ways, be inconvenient.

2. The objections stated with regard to these Provinces also apply to the Hyderabad Assigned Districts, and these three Provinces comprise the most important cotton-producing and exporting tracts of India. As one main object is to obtain information on a uniform plan, which will facilitate the preparation of a complete report on the whole Indian cotton-trade, the Governor-General in Council directs that the annual provincial report shall comprise the period from 1st July to 30th June. It should be submitted to the Government of India by the end of September in each year at the latest.

Ordered that a copy of this Resolution be forwarded to all local Governments and Administrations for information and guidance.
