PROCEEDINGS OF THE BOARD OF REVENUE, dated 13th January 1875.

Read the following Proceedings of the Madras Government, dated 23rd October 1874, No. 1,360, Revenue Department:—

ABSTRACT.—*Revised Rules for the distribution of water from the Irrigation and Canal Company's Canal, Kurnool District.*—Observing that the last Clause of Rule XIII. sufficiently provides for registering instances of cultivation without application; approving the revised classification of crops under Clauses 1 to 4 of Rule VI.; preferring the adoption of the rate of 1 Rupee per 1,440 cubic yards for water supplied to tanks for purposes of irrigation, but calling for the opinion of Colonel Mullins and Mr. Latham before deciding on the subject; and cancelling paragraph 1 of G. O., 25th August 1874, No. 1,079, thereby leaving Rule XV. intact pending trial.

COMMUNICATED to the Collector of Kurnool for his information and guidance.

2. The accompanying form should be adopted for the measurements prescribed by Rule XV.
