Proceedings of the Court of Wards

Dated 23rd June 1875

Read the following:

No 299

From, W. S. Whiteside Esqrs
Collector of North Arcot

To, H. E. Stokes Esqrs
Secretary to the Court of
Wards
Madras

Sir

Adverting to Para 10 of
Proceedings of the Court of
Wards, dated 2^d ultimo,
No 793, communicating Pro-
ceedings of Government
dated 30th October 1874 No 1379,
I have the honor to report
that the Kallur Estate is
situated in a feverish
part

part of the District. During the short space of three years of its wardship no less than six Managers were appointed, one after another falling sick after a few months stay there. Some of them were also found inefficient to discharge their duties, and were eventually removed on that account.

2. The accumulation of arrears is mainly attributable to the unhealthy nature of the climate of Kallur, and the difficulty experienced in getting efficient men to go there.

The

The local authorities ²⁸ ~~in~~ = deavoured to the best of their abilities to clear off the arrears.

3. The difficulty in collecting the arrears of this Estate was duly brought to the notice of the Court of Wards in the administration reports of Jush's 1280 and 1281.

4. I regret exceedingly that there should have been a larger arrears when giving over charge of the Estate than when its management was assumed by the Court of Wards.
