Proceedings of the Madras Government, Revenue Department.

21st January 1875.

Read the following telegrams:—

From Collector of the Kistna District, Masulipatam, to Acting Secretary to Government, Revenue Department, Madras, dated 21st January 1875.

No rain. Canal-supply sufficient. Three feet seven over anicut. Later dry crops suffering from grub, bad weather, and want of rain in parts; other crops fair. Prices stationary. Mild small-pox general; Fever virulent. Cattle healthy only in three taluqs. Pasture diminishing. Markets well supplied locally.

From Acting Collector of Kurnool, to Acting Secretary to Government, Revenue Department, Madras, dated 20th January 1875.

SEASON favorable. No rain. Standing crops good; second crop paddy being sown. Markets well supplied. Prices falling in Nandial, rising in Nandikotcoor, and stationary elsewhere. Water and pasture abundant. Fever generally prevalent. No water over Sunke-gula anicut.

From Treasury Deputy-Collector, Tanjore, to Acting Secretary to Government, Revenue Department, Madras, dated 21st January 1875.

RAIN at Negapatam and elsewhere none. Water in rivers scanty. No supply to tanks. Water over anicuts none. Cultivation of wet crops over; that of a few dry crops continues in some parts. Standing crops good. Harvest some wet and dry crops; yield satisfactory. Pasture sufficient. Prices stationary. Markets well supplied. Public health generally good. Small-pox here and there. One death by cholera in Combaconum. Cattle-disease in Sheally. Some loss.

From Collector of Trichinopoly, to Acting Secretary to Government, Revenue Department, Madras, dated 20th January 1875.

No rain. Water sufficient. Cauvery beginning to fall low. Condition of crops good. Outturn generally up to average. Public health good. Pasturage ample.

From Collector of Malabar, Calicut, to Acting Secretary to Government, Revenue Department, Madras, dated 21st January 1875.

RAIN-FALL none. Harvesting of second crop in progress. Supply of grain sufficient from local and foreign sources. Fever and small-pox slightly prevalent. Cattle-disease in Walluvanad. Pasture withering. Prices stationary.

ORDER THEREON, 21st January 1875, No. 145.

COMMUNICATED to the Board of Revenue.

(True Extract.)

(Signed) C. G. MASTER,
Acting Secretary to Government.

To the Board of Revenue.
" the Sanitary Commissioner.
" the Surgeon-General, Indian Medical Department.
" the Chief Engineer for Irrigation.
