No. 109. Read the following Proceedings of the Board of Revenue, dated 9th June 1875, No. 5143 (Miscellaneous) :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Palmanair, 27th May 1875, No. 271 :—

The Government, in their Proceedings, dated 16th June last, No. 1094, Judicial Department, sanctioned the plan and estimate for an office for the Assistant Collector of this district at Chittoor and ordered the provision of funds in the Public Works Department. With reference to this order the Chittoor Range Officer reports that he commenced the construction of the building in anticipation of the allotment of funds, but has subsequently stopped the work on receipt of a letter from the District Engineer informing him that no provision had been made for the building in the Provincial Budget of the current official year. I have, therefore, the honor to request that the Board will be pleased to move Government to make a special grant at any rate for the completion of the foundations and basement of the building in question within the current official year; but, if this sum is found impracticable, to allot such funds as may be required to fill up the excavation already made by the Range Officer without previous reference to me on the subject, for the foundations, as at present dug out, are a source of great inconvenience in the cutcherry compound.

Submitted for the orders of Government.

Transferred to the Judicial Department with reference to an Order in that department, dated 16th June 1874, No. 1094.
