No. 63. Read the following letter from J. A. BOURDILLON, Esq., Offi
Under-Secretary to the Government of India, Financial Departm
the Chief Secretary to the Government of Madras, dated Simla
September 1875, No. 3,390 :—

In continuation of the communication from this Office, No. 3,389, date
September 1875, I am desired to forward a copy of a letter from the Gover
of Bengal, No. 1,913, dated 3rd August 1875, and enclosures ; and to reque
the quantity of stamps therein referred to may be transferred to the Stamp
at Calcutta out of the surplus stock in the Madras Stamp depôt.

Enclosure No. 1.

From W. H. GRIMLEY, Esq., Officiating Secretary to the Board of Revenue, Lower Pro
(Stamps,) to the Secretary to the Government of Bengal, dated Fort William, 21
1875, No. 549½-B.

With reference to G. O., No. 1,183, dated 12th May last, I am directed to submit,
information of Government, two Statements, A and B, showing the average annual issu
balance in hand, and the quantity due on Indents of Adhesive Court Fees, Foreign Bill, and
Adhesive Stamps. These statements have been prepared by the Superintendent of Stamp
refer only to the three descriptions of stamps alluded to in paragraphs 5 to 9 of the lette
the Government of India, Financial Department, to the Chief Secretary to the Governm
Bombay, No. 440, dated 30th April 1875 ; but it is doubtful whether the orders of the G
ment of India apply only to these three or to all kinds of stamps in the Superintendent's
As the preparation of these statements entail considerable labor, the Member in charge w
call on the Superintendent to prepare them in respect of other kinds of stamps, unles
informed that such statements are required by the Government of India.

2. From Statement A it will be see
there is a surplus stock, *i.e.*, stock in ex
a year's supply, of the stamps marginally
available for transfer to any other Pres
requiring them.

Adhesive Court Fees Stamps of all values, except 12 Annas ; Foreign Bill Stamps of the values of 2, 4, 6, and 12 Annas, 1 Rupee, 1 Rupee 8 Annas, 2, 3, 4, 6, 8, 12, 18, and 24 Rupees.
Special Adhesive Stamps of all values, except 4 Annas.

3. Of the stamps entered in Statement B, there are still certain quantities due on I
In the case of Foreign Bill Stamps of 2 Annas and 8 Annas value, and of Special Adhesive 4 A
these quantities can be wholly or partially supplied from surplus stocks at Madras, as will b
from the Madras Statements, which accompany the Government Order under reply. Thus,
case of 2 Annas Foreign Bill Stamps, 2,172 labels are required by the Superintendent to co
his Indent. Madras, on the 1st September 1874, had got an excess stock of 5,620, or enou
nine years' supply, and, therefore, can spare the quantity required for Calcutta, and leave a
of 3,448 labels for use elsewhere. Likewise, Madras has got 4,900 labels of 8 Annas Foreig
Stamps, or sufficient for ten years, and can afford to part with 685, the number required
Superintendent of Stamps here. If these demands can be thus supplied, the Home Indents
cancelled.

4. As regards 3 Annas Foreign Bill Stamps, the Superintendent of Stamps reports t
has already drawn 2,000 from the Madras surplus of 3,225, so that it is not likely th
unexecuted Indent can be met from the Madras Store.

5. The excess stock at Madras of Special Adhesives of 3 Annas value amounts to 3
labels, or five years' supply, but the unexecuted Indent from Calcutta is equal to 1,18,792
The Superintendent of Stamps recommends that Madras should supply Calcutta with 3
stamps, the Indent being reduced by that number.

6. The original enclosures of the Government Order are returned.

To The Secretary to the Government
of Bengal

Fort William, the 21st July 1875

Sir,

With reference to Government order No. 1183 dated 12th May last, I am directed to submit, for the information of Government, two statements, A & B shewing the average annual issues the balance in hand, and the quantity due on indents of adhesive Court fees, Foreign Bill, and special adhesive stamps. These statements have been prepared by the Superintendent of stamps, and refer only to the three descriptions of stamps alluded to in paragraphs 6 to 9 of the letter from the Government of India Financial Department, to the Chief Secretary to the Government of Bombay, No. 440 dated 30th April 1875; but it is doubtful whether the orders of the Government of India apply only to these three or to

all

all kinds of stamps in the Superintendents store. As the preparation of these statements entail considerable labour, the Members in charge will not call on the Superintendent to prepare them in respect of other kinds of stamps unless he is informed that such statements are required by the Government of India.

2 From statement A it will be seen that there is a surplus stock, i.e, stock in excess of a years supply, of the stamps marginally noted available for transfer to any other presidency requiring them.

Adhesive Court fees' stamps of all values, except 12 annas. Foreign bill stamps of the values of 2. 4. 6 and 12 annas. 1 Rupee, 1 rupee 8 annas 2, 3. 4. 6, 8. 12. 18 and 24 Rupees. Special adhesive stamps of all values, except 4 annas

3 Of the stamps entered in statement B, there are still certain quantities due on indent. In the case of foreign bill stamps of 2 annas and 8 annas value, and of special adhesive 4 annas, these quantities can be wholly or partially supplied from surplus stocks at Madras, as will be seen from the Madras statements which accompany the Government order under reply. Thus, in the case of 2 annas foreign bill stamps, 2172 labels are required by the Superintendent to complete his indent. Madras, on the 1st September 1874, had got an excess stock of 3.620, or enough for nine ye supply, and therefore can s quantity required for Calcutta, an a stock of 3.448 labels for use else Likewise, Madras has got 4.900 of 8 annas foreign bill st or sufficient for ten years can afford to [illegible] number required by the Superi of stamps here. If these de can be thus supplied, the ind can be cancelled.

4 As regards 3 annas foreign stamps, the Superintendent of reports that he has already d 2,000 from the Madras surplu 3225, so that it is not likely unexecuted indent can be m the Madras store.

5 The excess stock at Madra special adhesives of 3 annas val to 39,028 labels, or five years supply the unexecuted indent from Ca is equal to 1.18.792 labels. The Supe of stamps recommends that C should supply Calcutta with 30,000 the indent being reduced by tha
