assignment of 10 cents of land assessed at 6as 5p. The houses belonging to 4 individuals have also to be removed because of the construction of the embankment in question as it makes the houses liable to be flooded. The Expenses for their removal and for building them at other places have been ascertained by the Deputy Collector on General duty to amount to Rupees 300. I request Sanction for the payment of this sum also

2. The work referred to is an Imperial one Sanctioned by the late Superintending Engineer, on the 14th February 1873. The original estimate

Estimate provided a sum of Rs210 on account of Compensation; but it was closed on the completion of the work. The District Engineer States that the amount of money Compensation now proposed should be paid from a Special allotment from the Agricultural reserve at the disposal of Government
