No. 98. Read the following letter from E. KEYS, Esq., Superintendent of the Government Press, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Fort St. George, 28th May 1875, No. 674:—

I have the honor now to submit the annual report, with the usual tabular statements, showing the quantity and value of work turned out at the Government Press (including the Penitentiary) during the official year ending March 31, 1875.

2. The year's results in the Composing Departments show an increase of 6,038 pages, of which 4,646 were new, and 1,392 remade-up matter. There was a corresponding increase in the Machine and Press Departments, there having been an excess of 2,556,346 copies, or impressions, over that of last year. Notwithstanding this increase the actual cost was Rupees 2,496-6-7 less than that for 1873-74.

3. The outturn in both the departments was as under:—

PENITENTIARY BRANCH OF THE GOVERNMENT PRESS.

16. During the past year the printing-machines at the Penitentiary were worked by motive power from the treadmill, with but little intermission, and the general results of the working of this branch of the Government Press show a considerable profit to Government.

17. The removal of the long-sentenced prisoners to other Jails has necessitated the introduction of about eight piece-work compositors to supply the place of the convict-compositors whose services were thus lost to the press.

18. The average number of convicts (men and boys) employed during the year was ninety-six daily, the value of their work being as under:—

	RS.	A.	P.	RS.	A.	P.
Value of Compositors' work	8,694	0	0			
Press and Machine work	26,569	0	0			
				35,263	0	0
The cost was—						
Superintendence	1,600	0	0			
Convict labor	4,882	14	0			
Establishment and free labor	6,871	1	5			
				13,353	15	5
Showing a saving to Government of				21,909	0	7

19. As usual the principal part of the Binding was done in the shed outside the Penitentiary, with some assistance afforded in folding, stitching, counting, &c., by juvenile prisoners. The value and cost were as under:—

	RS.	A.	P.
Binding, Folding, Stitching, Ruling, Perforating, &c.	9,323	12	7

20. The profits resulting from the two departments thus amount to Rupees 28,764-7-6, or Rupees 6,596-4-6 in excess of last year.

GOVERNMENT PRESS,
FORT ST. GEORGE,
28th May 1875.

E. KEYS,
Superintendent.

No. 99. ORDER THEREON, 30th June 1875, No. 847.

The report of the working of the Government Printing Department for the year 1874-75 shows that notwithstanding an increase in the outturn of work, as compared with the preceding year, there has been a decrease in the actual cost of printing in the price per page for original matter and in that for both original and standing pages. This is satisfactory.

Outline of Work.

Increase of pages printed ... No. 6,038
 „ of impressions struck ... 2,556,346
 Decrease in actual cost of printing ... Rs. 2,496
 „ in actual cost per page of original matter ... Pies 7
 „ in actual cost for both original and standing matter ... 6

2. There appears, as stated in the report, a tendency towards an increase of printing work in all departments. In the Public Works Department the "enhanced cost" is attributed to "corrections, reimposition of matter, red-ink forms, &c." The Governor in Council is of opinion that the number of spare copies struck off at present in the several departments is, in many instances, needlessly

*Proceedings of the Madras Government, Public Department,
30th June 1875.*

large, and that measures should be devised conjointly in all departments, not only to reduce the amount of printing, but to keep down the number of copies struck off, to the proper limit.

3. Miscellaneous papers should not, as a rule, be printed, nor the orders passed on the Proceedings of other departments when they are not communicated to more than three or four other departments or officers.

4. In the Gazette, Miscellaneous, and Book Departments, there was a decrease in the cost of printing.

5. In the Binding Department there was an increase in the value of work done to the extent of Rupees 3,368.

6. In the Stereotyping and Letter-Casting Department it is shown that the net profit was Rupees 1,629.
