Proceedings of the Madras Government, Revenue Department,
13th October 1875

No. 96. Read the following Proceedings of the Board of Revenue, dated 9th September 1875, No. 2,528, Forest No. 190:—

Read the following letter from Captain CAMPBELL WALKER, Officiating Inspector of Forests, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 12th August 1875, No. 423.

In accordance with G. Os., Nos. 370 and 1,011, dated 9th April and 6th July 1875, respectively, and Board's Proceedings, Forest Miscellaneous No. 245-6,018, of 3rd July, I have the honor to suggest that the survey test prescribed in G. O., No. 1,011, be notified to forest officers, and that they be informed that it is not obligatory on "officers of the Conservator class" but that qualifying by it "will carry with it a special recommendation."

2. I am not sure whether Government include the Probationary Assistant Conservators in what they style "the Conservator class." If not, those officers should be called on to qualify at once. The trained Assistants, from whom the "controlling grades" of the department are in future to be recruited, will have qualified in Europe.

G. O., No. 1,011, dated 6th July 1875, which lays down that officers of the Conservator class shall in future be required to qualify in surveying, has already been communicated to Collectors of Forest Districts.

2. The second sentence of Board's Proceedings, dated 3rd July 1875, No. 245-6,018, is cancelled.

3. With reference to paragraph 2 of Captain Walker's letter, the Board observe that his recommendation, which was approved by Government, was that present Deputy Conservators should be exempted. The Board are, therefore, of opinion that Probationary Assistant Conservators should qualify. The orders of Government on the point will, however, be requested.
