No. 114. Read the following letter from C. J. LYALL, Esq., Under-Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Forests,) to A. MACGREGOR, Esq., Acting Secretary to the Government of Madras, Revenue Department, dated Simla, 30th September 1875, No. 1,108:—

I AM directed to forward herewith, for information, copy of a Circular, Nos. 26—1,087/1,096, dated the 27th instant, addressed to the local Governments and Administrations under the Government of India, and to express a hope that His Excellency the Governor in Council will cause steps to be taken to ensure the Budget-estimates of the Madras Forest Department for 1876-77 reaching the Government of India before the 10th November next. It would be an advantage if the Progress Report for 1874-75 could be sent at the same time with the Budget-estimate. These documents should this year all be sent to Calcutta.

ENCLOSURE No. 1.

From A. O. HUME, Esq., C.B., Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Forests,) dated Simla, 27th Sep. 1875, Nos. 26—1,087/1,096.

I AM directed to invite attention to the orders quoted on the margin, under which the Progress Reports and Budget-estimates of the Forest Department are required to be annually submitted to the Government of India on the 1st September and 20th October, respectively, as well as to the accompanying lists showing the dates on which the reports and estimates for the last year were received from the several provinces.

2. The want of punctuality in the submission of these documents has been productive of serious inconvenience, and the Governor-General in Council confidently expects that such arrangements will now be made as shall positively ensure the punctual submission in future of these returns. Should any real difficulty exist, the Government of India will, so far as circumstances may permit, be ready to modify the aforesaid dates, and will give due consideration to any proposals that may be submitted on the subject.

3. This year, however, it is necessary that the Progress Reports for 1874-75 and the Budget-estimates for 1876-77 should reach the Government of India at the earliest date possible, and under no circumstances later than the 10th November; all these documents should this year be sent to Calcutta.
