Proceedings of the Madras Government, Revenue Department,
15th October 1875.

No. 128. Read the following Proceedings of the Board of Revenue, dated 30th September 1875, No. 2,725 :—

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 15th September 1875, No. 544 :—

I HAVE the honor to request the sanction of the Board for assigning the Melvaram of the marginally noted extent of lands as maniem to the Taliaries of Mamandur, Madurantakum Taluq.

	Acres.	Assessment. Rs. A. P.
Dry	2·89	3 13 3
Wet	3·25	18 11 3

2. The facts are as follow :—

In the village of Mamandur the Taliaries never had any maniem assigned to them by the State, but it appears that, during the time the village was held on the Zemindari tenure, the proprietors assigned the assessment of the above lands to the Taliaries as remuneration for their services, and this practice was allowed to continue after the resumption of the village by Government, which took place in Fasli 1251.

Between Fasli 1251 and Fasli 1274 the assessment was deducted from the puttas and chittahs, the Mirassidars paying the amount direct to Taliaries. At the settlement of Fasli 127[illegible] [illegible] was objected to by Mr. Cockerell, the then Sub-Collector, who ordered that the full assessment should be brought to account and called for a report as to the origin of the remissions, and his order on the subject runs as follows :—" Cawnies 3-7-6 wet and dry, assessment 20-7-1 rent-free, as emoluments of Taliaries, Mirassidars possessing and cultivating the land. These remissions have been granted for the last twenty-five years but without authority and apparently upon none. This is irregular, and the matter must be inquired into by the Tahsildar and reported upon." The subject seems to have been entirely lost sight of in the taluq, and the Taliaries continued to receive the assessment from the Puttadars as usual, the amount being included under the head of Irrecoverable arrears at the end of each fasli, and written off in the accounts. At the settlement of last Fasli, 1284, when examining the statement of old arrears, the matter attracted the attention of Mr. Barlow, who examined the accounts and brought the state of things to the notice of Mr. Crole, and the latter lately submitted the required report on the subject. I now request the sanction of the Board to transferring the land in question to the head of Service Inam. If the above proposal be sanctioned the land will be allowed to continue in the Mirassidar's putta as hitherto, subject to their paying the assessment to the Taliaries, who will be entitled to proceed against the former in case of default of payment under Act VIII. of 1865.
