Proceedings of the Madras Government, Public Department,
9th June 1875.

Elephants.

No. 35. Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Coimbatore, 31st May 1875, No. 36:—

I have the honor to forward, for the consideration and orders of Government, an application for a license to shoot male elephants above seven feet six inches in height in South Coimbatore.

Enclosure.

One application from Mr. Hunter-Blair, No. 315, of 26th May 1875.

2. As Government are aware, I am averse to the shooting of *any male elephants forming part of a herd* which it is the intention of Government to protect, and no license is required to shoot solitary, and therefore useless, and generally dangerous, males.

3. It is true we have no Kedda operations at present in the southern forests, but I believe that the wild ones frequently approach the working elephants, so that there may be a prospect of having one in our reserved or leased forests.

From J. HUNTER-BLAIR, Esq., Collector of Madras, to A. WEDDERBURN, Esq., Collector of Coimbatore, dated Madras, 26th May 1875, No. 315.

With reference to Government Order, dated 7th May 1875, No. 597, Public Department, I have the honor to request that you will be good enough to grant me a license for shooting male elephants above seven feet six inches in height, the license to be available in the part of your district south of the railway for the months of August and September 1875.

No. 36. ORDER THEREON, 9th June 1875, No. 765.

The Governor in Council is not prepared to grant any licenses at present to shoot elephants.
