Proceedings of the Madras Government, Revenue Department,
25th October 1875.

No. 148. Read the following Proceedings of the Board of Revenue, dated 24th September 1875, No. 2,685 :—

Read the following letter from W. S. FOSTER, Esq., Collector of the Godavery District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 10th September 1875, No. 366.

With reference to the Board's Miscellaneous Proceedings of the 27th ultimo, No. 7,769, I have the honor to inform you that I am not at present able to say whom I shall depute to meet the Nizam's Officer.

2. The tract of country to be demarcated is unhealthy now, and the middle of February would be the best time; but then the Head Assistant will have Jamabandi work, and the Salt Deputy Collector, whom I am thinking of sending up, will probably then have the manufacture of salt to look after. I shall, however, manage to send either the one or the other. As for the name of the officer who will be my Head Assistant the Board will have a better idea than I have.

3. I propose that the officers should meet at Aswarowpetta, not far from Jilugumilli, where the demarcation begins and extends south-westward of Sivapuram in the Ellore Taluq. I would fix the middle of February as the time. The exact date can be fixed hereafter.

Submitted to Government with reference to G. O., dated 12th August 1875, No. 1,217.

2. The Board recommend that the meeting be arranged for the middle of February at Aswarowpetta as proposed, and the Head Assistant Collector be nominated to represent British interests. The Board consider that a Salt Deputy Collector is not a proper officer to entrust with duty of this kind; and it will be easier to make arrangements for the Head Assistant to be spared from Jamabandi work at that particular time than for the Salt Deputy Collector to be present, as the supervision of the salt manufacture by the latter officer is indispensable at that season.
