Sir,

In carrying out the recent orders regarding the demarcation of the Government Forests in this District, I shall have occasion to refer to the large Map of the old Puttur Taluk which was transferred to this District from Coorg in 1834. I have therefore the honor to request that the Board will be pleased to obtain for me a copy of the above portion of the large map which was prepared from actual survey

scale - 1 mile to
an inch

survey in 1806/7 or 1815/16.

2. The copy of the map in my office does not contain the Magaries forming the old Patur Sahag, and the Superintendent of Coorg, to whom I applied for the complete map, informs me that it cannot be found in his office or in that of the Chief Commissioner. The portion I require is shown on a reduced scale in the accompanying rough tracing.

I have
