(Usual Complimentary terms omitted).

In his letter No. 414 of the
9th Ultimo, the Collector of the District
states that in reply to my letter to the
Honorable Government, requesting the
presentation of a Khillat on the
occasion of my eldest sons marriage,
the Honorable Government have regarded
the occasion as one not calling for the
presentation of a Khillat. This has made
me dejected, for the distinction now
claimed was acquired by my ancestors
in the days of the Moguls and approved
and maintained by the British Government.

On a similar request from
my father, the Honorable Government
conferred the honor referred to on the
occasion of my elder brothers marriage,

though he had not undergone the cere-

I am very sorry to learn that the marriage
of my eldest son, who is fit for Patta-
-bhishekam, was deemed an occasion
not requiring the presentation of a
Khillat.

I have proved inferior to none
of my ancestors in my allegiance
and respect to the Honorable Govern-
-ment; and this withholding of a long
existing honor, has been a source of
disgrace and sorrow to me, as it is
contrary to Her Majesty's promise to
maintain all her subjects in their
usual honors.

I beg to enclose for the
consideration of Your Excellency a
letter dated 10th August 1840, from
Lord Elphinstone to my father,
shewing that a Khillat was presented
on the occasion of my elder brother's
marriage and to request that a
similar honor may be now conferred
