CAMP AT RUSSELCONDA,
14*th June* 1875.

(Signed) H. SMALLEY, Major, R.E.,
Offg. District Engineer, Ganjam.

No. 412. ORDER THEREON, 15th July 1875, No. 2,016.

ESTABLISHMENT, No. 41.

THE District Engineer, Ganjam, submits with the above letter three statements of outstanding advances in the Parla Kimedy Estate as they stood on the 31st March 1875, called for in G. O., No. 3,607, dated 22nd December 1874.

2. In December 1873, when reporting on the works in the estate, the District Engineer brought to notice that a sum of Rupees 5,108-10-1 was outstanding, besides advances made in the month of July 1873 by Overseer Veeramullasalingum.

3. The statements show there are now outstanding—

	RS.	A.	P.
Recoverable advances	82	9	0
Irrecoverable „	179	14	0
Advances only recoverable by legal process	752	12	1
Total ...	1,015	3	1

4. The first item is stated to be in process of recovery, and authority is now given for writing off the amount of the second item, Rupees 179-14-0, to Profit and Loss.

5. As regards the third item, it is observed that most of the advances were made by Overseer C. Veeramullasalingum; before passing final orders on the subject the Honorable the Governor in Council desires fuller information as to the particular sums advanced by the Overseer, and that he should be called upon to take steps towards their recovery. Work people who may be quite unable to repay at once money which has been advanced to them, and which they have expended, will generally be found willing, on employment being given them, to work on reduced rates till their debt is liquidated, and this means of recovering the advances should not be overlooked by the officers at present in charge of the works.

6. The good management of Supervisor G. Venkata Row Puntulu in clearing off outstanding advances and introducing a better system is noticed with approbation.

Offg. Joint Secretary to Government.
