*Proceedings of the Madras Government, Revenue Department,
1st November 1875.*

No. 16. Read the following Proceedings of the Board of Revenue, dated 26th October 1875, No. 2,967:—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 23rd October 1875, No. 425.

I HAVE already brought to the notice of the Board the existence of distress in the western taluqs of this district. The Deputy Collector of the Harpenhully Division now reports that in some of the villages of Harpenhully and Havinhadgally Taluqs the crops raised in dry lands have withered for want of rain; he recommends that the kist payable by the ryots for November on the 15th may not be collected till the end of that month.

2. The rainy season will have ended with November. If there be no rain before the end of that month, the distress will be severe and remissions on dry as well as on wet lands will be necessary. For the remissions on dry lands a formal application will then be sent.

3. But for the present relief to the extent of deferring the collection of November's kist, as suggested by the Deputy Collector, appears to be necessary. I have, therefore, the honor to request the sanction of the Board to this measure.

THE Collector's proposals are approved.

2. His attention is called to Board's Proceedings, 9th October 1875, No. 2,828, and he should at once report what works are in hand, and what has been done towards carrying out the Board's orders.
